SPECIAL SUPPLEMENT

Volunteer Recognition Day

We Care That You Care

On October 22, 2003, the Administrative Governing Board gave recognition to court employees by celebrating their community service with a spirited party at City Hall. The gala was held at the Alex Bonavitacola Law Library, and featured appearances by court leaders as well as players from the Eagles, World B. Free from the '76ers, boxing greats and other sports stars. The real guests of honor were the hard-working District employees who have volunteered their time and energy outside the workplace in the care of their community, church, or charitable organizations. We heard lively interludes by a Mummer's Stringband. Prizes were awarded through raffles and drawings. Everyone came away a winner!
