**RE: *In re: Asbestos Litigation, Certain Asbestos Friction Cases Involving
Chrysler LLC et al., October Term 1986, No. 0001***

MOTION FOR CLARIFICATION OF *IN RE: ASBESTOS LITIGATION* DECISION

Dear Judge Tereshko:

Defendant Honeywell International, Inc. respectfully joins in the Motion by Ford Motor Company requesting a clarification of your decision in *In Re: Asbestos Litigation*. This Motion is a result of discussions with the Honorable Sandra Mazer Moss, Supervising Judge of the Complex Litigation Center in the Philadelphia Court of Common Pleas, regarding the scope and effect of your decision resulting from the *Frye* hearing in February of 2008. With the permission of Judge Moss, Ford has filed the Motion and Honeywell joins herein.

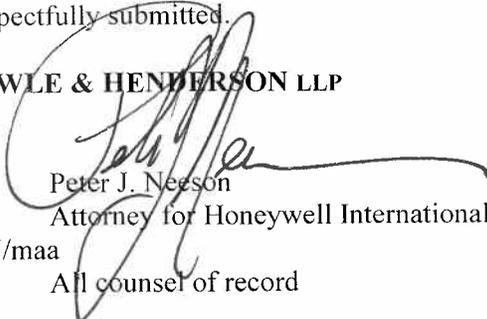

The issues raised and the arguments advanced by Ford explicitly address the current situation in the Philadelphia Court of Common Pleas and Honeywell seeks and supports the same relief requested by Ford Motor Company in its October 16, 2009 Motion.

Likewise, oral argument is requested if this Motion is opposed and/or the Plaintiffs file a brief in opposition.

Respectfully submitted.
