*Or Grandparents, Stepparents, Foster Parents and Care Takers of Problematic Children 10 Years and Older*

We invite all Philadelphia parents to join us in the FAMILY COURT PARENT PROJECT®. For many years our certified staff has given parents solutions for questions like:

- My child refuses to study or go to school. How should I respond?
- What can I do when my child beats me up?
- How can I stop my son's gang involvement?
- My child is using drugs. How can I get him back?
