A. Purpose

This Request for Proposal (RFP) provides interested Vendors with sufficient information to enable them to prepare and submit proposals for consideration by the First Judicial District of the Commonwealth of Pennsylvania (FJD) to satisfy a need for drug screening tests of urine and oral samples taken. The samples to be tested will be collected by an independent vendor not included in this RFP. The Vendor selected as a result of this RFP and the selected Vendor for the collection of specimens will operate in complimentary positions in coordination with the FJD; it is of the utmost importance that each Vendor clearly understands their respective role in the process.

D. Preparation of Proposals

- i. Proposals must be written in ink or typewritten, shall be signed and placed in a sealed envelope or carton. The proposal must be signed by the owner if a sole proprietor or by a general partner if the Vendor is a partnership. If the Vendor is a corporation, the proposal must be signed by the president or vice-president and attested to by the secretary, treasurer or assistant secretary or treasurer and must bear the corporate seal. A corporate Vendor, in the alternative, may execute a proposal other than by the formality set forth above, by signing such proposal by an officer, employee or agent having express authority by reason of a power of attorney identifying such officer or agent by name and title, which power of

attorney shall bear the corporate seal and be attached to the proposal. A Vendor must indicate whether it is authorized to do business in Pennsylvania and document, if applicable, the place of incorporation.

- ii. Alterations or changes to any part of this proposal will be sufficient reason for rejection.
- iii. No proposal will be considered if not actually received at the designated office at the time specified in the proposal. Timely delivery shall be judged by the date of actual receipt.
- iv. To be considered, Vendor must submit a complete response. A proposal which is incomplete, obscure, conditional, unbalanced, containing additions not called for or irregularities of any kind including alterations or erasures, may be rejected as informal and void the response entirely.
- v. No proposal shall be withdrawn for 60 days from the date of the deadline specified for submission of proposals, except as otherwise provided herein. Vendors may be given permission to withdraw a proposal before opening upon receipt of written notification or by personal request of the Vendor, of which request must be submitted no later than forty-eight (48) hours before the time fixed for the opening and consideration of proposals.
- vi. No change in prices, terms and conditions will be considered after the deadline for submission of proposals.

E. Acceptance and Rejection of Proposals

- i. The FJD reserves the right to reject any and all proposals, to waive technical defects, and to accept or reject any part of any proposal if, in its judgment, the best interests of the FJD are not thereby served.
- ii. No award will be made to any Vendor who is in default of any bid, purchase order, or contract with the FJD or its components, prior to the date of the RFP under consideration.
- iii. All responses accepted by the FJD shall become binding contracts upon approval of contract as to form by the Legal Department of the FJD.

F. Surety for Proposals

If required by the RFP, no proposal will be considered unless accompanied by a bond in favor of and payable to the FJD in a sum and form (such as bank cashier's, treasurer's or depositor's certified check) determined to be appropriate by the FJD. If a surety requirement is imposed, the security of the three (3) most qualified Vendors will be retained until the execution of the contract.

G. Penalty for Failure to Execute Contract

Any Vendor not lawfully released from his or her proposal, who refuses to execute a contract or who refuses to furnish any required bonds and insurance, shall be liable to the FJD in the amount of the check deposited as security for his or her proposal as liquidated damages; or where the damages are readily ascertainable, such Vendor shall be liable for the actual loss or damage sustained because of the failure of the Vendor to enter into such contract.

Disadvantaged Minority, Women and Disabled Owned Business Enterprises (M/W/DSBE) as defined by the City of Philadelphia's Office of Economic Opportunity (<http://phila.gov>), are encouraged to participate as prime proposers. Prime proposers who are now M/W/DSBEs are encouraged to identify and utilize M/W/DSBEs as sub vendors. III. Criteria for Selection

A. Committee Evaluation

All proposals received from Vendors will be reviewed and evaluated by a committee of qualified personnel selected by the FJD. This committee will recommend for selection the proposal that most closely meets the requirements of the RFP and satisfies the needs of the FJD.

B. Criteria

The following areas of consideration will be used in making the selection:

1. Understanding the Problem and Needs

This refers to the Vendor's understanding of the needs and/or problems that generated the RFP and of the objectives in asking for the services, as well as the nature and scope of the work involved.

2. Vendor Qualifications

This refers to the ability of the Vendor to meet the terms of the RFP, especially the quality, relevancy, and recency of projects completed by the Vendor. This also includes the Vendor's financial ability to undertake a project of this size. The vendor must also have a SAMSHA approved license, the ability to conduct GC/MS on their premises, and perform EMIT and GC/MS on oral drug devices.

3. Personnel Qualifications

This refers to the competence of professional and technical personnel who would be assigned to the job by the Vendor. Qualifications of professional personnel will be measured by experience, with particular reference to experience on similar contracts to those described in the RFP.

4. Cost

This factor will be weighted heavily but will not necessarily be the deciding factor in the selection process.

The samples to be tested will be collected by an independent laboratory not included in this RFP. The Vendor selected as a result of this RFP and the selected Vendor for the collection of specimens will operate in complimentary positions in coordination with the FJD; it is of the utmost importance that each Vendor clearly understands their respective role in the process.

Part I: Drug Screening Tests

Vendor is to perform screen urinalysis on specimens provided by the Collection Laboratory by use of the Immunoassay System (the EMIT System). All drugs will be subject to Automated Multichannel Analysis. Additionally any sample with an initial positive result should be re-screened using the Immunoassay System for validation. **The vendor is expected to use the three major methods of validity testing: reporting of Ph levels, specific gravity levels, and creatinine levels on all tests.** Upon request by the Adult Probation/Parole Department and/or the Pretrial Services Division, additional confirmation of EMIT system test results is to be by the Gas Chromatography Mass Spectrometry (GCMS) test. The Testing Laboratory shall retain all samples for thirty (30) days and all positive samples for sixty (60) days for the necessity of another test that may be requested during that time period. The Testing Laboratory will also have the ability to conduct GC/MS on their premises and perform EMIT and GC/MS on oral drug devices.

The drugs to be screened include:	Cocaine
Opiates	
Amphetamines	Cannabinoids (THC)
Benzodiazepines	Phencyclidine (PCP)

In addition, for specifically identified specimens, an alcohol screen is to be added to the testing process. The Vendor will supply the following in a timely fashion: containers with screw-on lids and a temperature strip, wide mouth cup for female use if the screw-on container's mouth is small, a duplicate label system for both the container and the test request form, carbonless triplicate test request forms, two (2) pocket sealable bags for containers and Chain of Custody form, and a means to electronically transfer results to an IP addresses target site such as an FTP server via File Transfer Protocol in addition to emailing a data file, from the testing laboratory to the Adult Probation/Parole Department and/or Pretrial Services Division.

The FJD averages 5,000 laboratory urinalyses per month

Specimens will be picked up daily between 4:00 p.m. and 5:00 p.m., Monday through Friday. Philadelphia Court of Common Pleas' Adult Probation/Parole Department and the Pretrial Services Division's offices are located at 1401 Arch Street, Philadelphia, Pennsylvania 19102.

Drug screen results will be reported within forty eight (48) hours of pick-up time. Test results will be

transmitted from the testing laboratory to the Adult Probation/Parole Department and/or the Pretrial Services Division in a fixed format text file delivered to an FTP server.

The vendor will cooperate with such other data delivery procedures as may be necessary to facilitate direct upload of drug test results into "Monitor", the APPD case management application. This could include, but not be limited to:

- Providing file in the format currently used by the Probation Department.
- Providing file layout information to the Monitor vendor, Loryx Systems, Inc.
- Consulting with Loryx as needed on the design of the upload process.
- Sending the daily lab result data file or a subset thereof to an IP addresses target site such as an FTP server via File Transfer Protocol in addition to emailing a data file.

The Vendor will provide management information on drug test results. The Vendor must supply, on a monthly basis, via electronic transfer, information with the following fields:

- Officer Name/Officer Unit/Designated Identifier
- Total number of positive test results per officer
- Total number of negative test results per officer
- Total number of untested specimens due to leakage, insufficient sample, etc., with names and identifiers.

At the end of each month, the Vendor will also provide the number of drug screening tests **requested per officer**.

Vendor's staff must be available for consultation in person and by telephone.

If requested, **Vendor and its laboratory staff** will be available to testify at a court hearing regarding the testing laboratory's activities and provide training for FJD staff.

The Vendor will notify APPD immediately of any issues or potential issues related to the efficient operation of the entire Drug Testing process.

The Testing Laboratory will be expected to comply with the America Probation and Parole Association's guidelines, and be SAMSHA approved. The FJD reserves the right to inspect the testing laboratory to assure compliance with guidelines.
