

NOTICE TO THE BAR

CIVIL DIVISION STATUTORY APPEALS ASSIGNMENT

Effective immediately and continuing through December 31, 2000, the Statutory Appeals assignment will be handled jointly by the Honorable Stephen E. Levin and the Honorable Flora Barth Wolf. Judges Wolf and Levin will preside on alternating weeks with Judge Wolf sitting the week of September 18, 2000 and Judge Levin the week of September 25, 2000 and continuing in that fashion.

Judge Levin will retain all class action matters previously assigned to him. Class actions filed after September 18, 2000 which are not part of the Commerce Program will be individually assigned and divided equally between Judges Levin and Wolf.

Effective January 3, 2001, it is anticipated that Judge Levin will resign his commission and assume senior status. Upon doing so, Judge Levin will continue to preside over class actions previously assigned to him. At such time as Judge Levin resigns his commission in or about January, 2001, Judge Wolf will assume the complete Statutory Appeals docket including all newly filed class actions which are not within the Commerce Program.
