IN THE COURT OF COMMON PLEAS OF PHILADELPHIA COUNTY  
FIRST JUDICIAL DISTRICT OF PENNSYLVANIA  
ORPHANS' COURT DIVISION

O. C. NO. \_\_\_\_AI of 20\_\_

Estate of IVAN INCAPACITATED,  
an alleged incapacitated person

## DECREE

AND NOW, this            day of 20\_\_, upon consideration of the annexed Petition,  
and, after a hearing held following due notice of the petition and citation upon Ivan Incapacitated,  
this court finds that:

1. Ivan Incapacitated is 75 years of age and is a domiciliary of the City and County of Philadelphia.
2. Ivan Incapacitated suffers from dementia, which totally impairs her/his capacity to receive and evaluate information effectively and to make and communicate decisions concerning her physical health and safety.
3. Ivan Incapacitated is in need of an emergency limited guardian of the person and that failure to make such appointment will result in irreparable harm to him.

Accordingly, based on the foregoing findings, it is hereby ORDERED and DECREED that Gary Guardian is appointed emergency guardian of the person of Ivan Incapacitated for the purpose of authorizing any surgical procedure or other medical procedure necessary, in his opinion, for the

health and welfare of Ivan Incapacitated.

Said appointment of petitioner, Gary Guardian, as emergency guardian of the person shall expire seventy (72) hours from the date of this Decree.

Ivan Incapacitated was not present at the hearing. The court finds from clear and convincing medical evidence that Ivan Incapacitated's physical and mental condition would have been harmed by requiring his presence at the hearing.
